

**Here is a summary of yesterday's Thursday, June 29<sup>th</sup>, 2017 meeting:**

- Yesterday was all about Henry Winkler. Thank you to Jennifer Clark and Michael Lincoln for inviting our club to participate in a recognition luncheon for Henry for his many years of service at the German Centre. Our members were joined by members of the Deutsches Altenheim executive board for a nice lunch and great conversation. City Councilor Matt O'Malley stopped by to make a presentation to Henry and Jennifer Clark spent some time thanking Henry for his years of service, most notably the Deutsches Altenheim Golf Classic.
- Although President Sean has not been at the last couple of meetings, he has been working behind the scenes. Sean, Greg Karr and Michael Lincoln have officially scheduled our annual Summer Cook-out at the German Centre for Thursday August 3<sup>rd</sup>. Put it on your calendar. Always a great time!
- Just a reminder, take the time to log onto our Kiwanis Web Site to see all of the hard work that Warren Frank has been doing to make this a useful and interactive site. Log onto [www.kiwanisboston.org](http://www.kiwanisboston.org) and take a look. There are a couple of members only sections in which you will need the password: "westrox2001" to enter. Included are archived meeting notes so you can confirm important club details.
- In regards to the Auction, the Publicity, Decorating and Food Committees have all met. We will be reviewing their meeting notes and having discussions at upcoming meetings to go over new ideas and details.
- Ken Cunningham would like to remind us that his St. John Properties will be highlighted on HGTV at 10:30pm on 7/5/17. Take a look. Maybe we can schedule an upcoming meeting at one of the locations???
- Don't forget, no meeting next week, July 6<sup>th</sup>. Enjoy the holiday and see you in two weeks.

**I believe that is all for now.**
