

Here is a summary of last Thursday's meeting April 6, 2017: It was great to see Kate Sullivan back at Kiwanis! Kate stopped by so we could officially present our check to the Parkway in Motion Scholarship Fund. Photos were taken and will hopefully make it out on our Facebook Page and even the media. President Sean was excited that our club has a Scholarship Fund to donate to again after having the Joseph Sullivan Scholarship (The Cooperative Bank) as our primary charity for so many years.

- President Sean reminded us that Kelly Wheaton has submitted her new member documents to Dave Peterson! We hope to install her as our newest member in the near future. Sean is shooting for April 20th! Marion Kelly filled us in on the upcoming "Healthy Kids" Event sponsored by the YMCA. The event will take place on April 29th. There are vendor tables available. Check out the YMCA Web Site for details and contact Marion with any questions. The Chef's Table Foundation is teaming up with the Corrib Pub this year for the Corrib's annual Road Race. This year's event will take place on June 4th. A donation of \$130 towards the event will cover your entry fee to the race, get you an official event T-Shirt, Food & Drink and much more. Not to mention supporting the Chef's Table Foundation. I am sure Joe will have more information for us at future meetings. Log onto the Chef's Table Foundation Web Site for more information as well, www.chefstablefoundation.org.
- Next week will be our latest Traveling Meeting. We will be at the Roslindale Branch of the Boston Public Library. Lunch will be from Effie's Restaurant in Roslindale. Our meeting will start promptly at 12:15. We will be joined by members of the Library Staff. Our Club voted to donate \$250 to the Library, so we will be presenting as well! If you have not done so already, please RSVP to Paul Murphy (or respond to this e-mail and I will forward) ASAP as we will need a head count for the food. Again, special thank you to Paul Murphy for arranging our Traveling Meeting Again.
- Looks like our Trivia Night at Brannelly's in Roslindale will be pushed off until June. Several dates were being thrown about, but the committee (John Sullivan and Beth Arienti) promise a confirmed date soon. Look forward to our Progressive Raffle Drawing to be on May 4th. We usually draw the winner every 3 months or so. The pot is not as high as usual so we are pushing it off one more month. Good luck to all. Our Club officially voted to split the cost of a table with the Parkway Rotary Club for the Roslindale Day Parade's annual Spring Dinner and Dance. The event will be on Friday Evening, May 12th at St. Nectarios Hall. Of course, we will have our tickets available for members who wish to attend.
- Our Club voted to purchase a ½ Screen Advertisement for the 6th Annual Taste of West Roxbury event scheduled for May 18th, 2017. As we were feeling generous at the meeting, our club also voted to donate \$100 to the Run for the Troops 5k. My sister-in-law, Linda Smith (who many of you know for her donations to our auction) is involved with the Civil Air Patrol/Essex County Composite Squadron. They are sponsoring the 5k run in order to raise money for a veteran in New England to build a house.
- Our annual Charity Softball Game for the Jason Robert's Challenger League is scheduled for Tuesday May 16th with a rain date of Thursday May 18th. We will be playing at Jason Robert's Field at the Ohrenberger School on West Boundary Road in West Roxbury. Flyers will be available soon. Start contacting your ringers NOW!!
- President Sean and Vice President Beth will be setting a plan of action to set up committees for this year's Charity Auction. Look for committees to be up and running by May so we can start getting organized. It has been mentioned a few times that we need to start contacting some of the larger organizations for items very soon! I

believe that is all for now. Bob McNeil
