

Here is a summary of last Thursday's meeting February 23, 2017:

- President Sean announced that he has confirmed the date for this year's Kiwanis Charity Auction to be Friday November 3rd. We will be having the event at the Elks Club again this year. Look for Auction Committees to be put together by May.
- President Sean is trying to schedule a time for Kate Sullivan to join us at one of our meetings so we can officially present our \$500 donation to the Parkway in Motion Scholarship program.
- Still waiting for John Sullivan to confirm the date for May's Charity Softball game . John's Business Connects Networking Group will be challenging us this year. We look to have the Jason Robert's Field reserved for us for either the 2nd or 3rd Wednesday in May.
- The Governor's Visit/Interclub meeting has been rescheduled for Thursday March 9th. I sent out a separate e-mail on Friday asking for members to respond if they will be attending. Car-pooling will be available. We will meet at the YMCA and will leave promptly at 11:30am for Wellesley. We will not be having our regular meeting that day.
- Something to look forward to... Our annual St. Patrick's Day Luncheon will be on Thursday March 16th. We will be feasting on a traditional boiled dinner/lunch.
- We have been notified that the Allston/Brighton Kiwanis Club has scheduled their annual Kiwanis Star Event for April 29th. I am sure we can expect a visit from the club in the near future so they can give us more details. I am sure we will again be purchasing an ad for the program book as well. Many of us have gone to the event in the past. Always a great time. I am sure we will have some representation again this year.
- We had a great discussion in regards to our new Web Site on Thursday! All agreed that we would allow Links/Ads on our site. We will offer a spot at a cost of \$100 per year (no free spots for members). We will start off with member links and move on from there. Contact Warren Frank to get your links started. As well, don't forget to contact Warren with any important upcoming events that you would like to see listed on our site.
- Paul Murphy is working on scheduling our next Traveling Meeting. We hope to head to the Roslindale Branch of the Boston Public Library. More to come!

I believe that is all for now.
